“Co-Funding Program” for International Joint R&D Projects with Israel/France/Germany/Spain/Czech/UK/Canada

- Applications and Evaluations**
- ✓ Applicants from Japan are required to submit proposals to NEDO.
 - ✓ Applicants from partner countries are required to submit proposals to their respective funding agency.
 - ✓ Respective funding agency evaluates national proposals and make selections.
 - ✓ NEDO and all partner countries hold consensus meeting to confirm approved projects based on national selections.

- Support Plan**
- NEDO support for Japanese companies
- ✓ Grant funding: two-thirds of overall project costs for startups and SMEs/one-half for others (including large companies)
 - ✓ Project scale: maximum of 100 million yen per project on Japan side
 - ✓ Project period: maximum of 24 months from the date of funding approval.
 - ✓ Target areas: any field of industrial technology which NEDO covers, except for nuclear technologies and pharmaceutical technologies.
- Support for Israeli, French, German, Spanish, Czech, UK and Canadian companies from respective funding agencies
- ✓ Please contact your country’s funding agency for further information.

Accelerate your business through global open innovation
